Instructions: After-Hours Communication Form - SBAR

USE: For **URGENT** after-hours Resident issues. Contact the Resident's Most Responsible Physician (MRP) during regular hours for all other concerns.

PURPOSE: To enable efficient, consistent communication of key information in an urgent situation to the physician on-call, and to provide clear communication to the Resident's MRP.

STEPS:

1. Clearly write the Resident's Name, Date of Birth (DOB), Personal Health Number (PHN), and Most Responsible Physician (MRP). If you use a Resident label, please redact/black out all information other than these identifiers.
2. Complete the entire SBAR (Situation, Background, Assessment, and Recommendations) form as appropriate PRIOR to calling the dispatch line.
3. **Items highlighted in red pertain to COVID-19 screening. Complete the questions in the 'FURTHER COVID-19 SCREENING' section prior to all calls, and other areas as relevant. Refer to the Island Health COVID-19 Response Protocol: Long-term Care Facility for further steps.**
4. Call the after-hours call line at **1.888.686.3055** and report the reason(s) for the call to dispatch. You will either be patched directly through to the on-call Physician, or they will call you back shortly.
5. Record the on-call Physician's response (including instructions and orders) on the SBAR form.
6. Fax the completed SBAR form to the Resident's MRP to inform and plan follow up, if necessary. If the On-Call Physician visits the Resident at the facility, include any progress notes or additional documentation to the MRP.
7. Fax the completed SBAR form to the on-call Physician for their records (see fax number below).
8. Place completed SBAR in the 'Physician Notes' section of the chart.
