## Instructions: After-Hours Communication SBAR Form

- USE: For URGENT after-hours resident issues only. The Sooke After-Hours Call Line is available from Monday to Thursday 1700 0700, Friday 1700 - Monday 0700, and statutory holidays. Please contact the resident's MRP during regular hours for all other concerns.
- **PURPOSE:** To facilitate efficient, consistent communication of key information in an urgent situation to the physician on-call, and to provide clear communication of the situation for the resident's Most Responsible Provider (Physician or Nurse Practitioner) (MRP\*).

#### STEPS:

- 1. Clearly write the resident's Name, DOB, PHN, and MRP. Redact/black out all other information if using a resident label.
- 2. Complete the entire SBAR form as appropriate PRIOR to calling the dispatch line.
- 3. Complete the questions in the 'COMMUNICABLE DISEASE' section prior to all calls.
- 4. Call the after-hours call line at **1.888.686.3055** and report the reason(s) for the call to dispatch. You will either be patched directly through to the on-call physician, or they will call you back shortly.
- 5. In 'Physician Response Notes', select how orders from the physician were documented (if orders were given) and document the interaction and physician directions in the nursing progress notes.
- 6. Fax the SBAR form to the resident's MRP to inform them of the urgent call, response, and plan. Indicate whether MRP follow-up is required or recommended. If handwritten orders or notes are written by the on-call physician during an on-site visit, include these documents in the fax to the MRP and on-call physician. Include nursing progress notes as necessary.
- 7. Fax the SBAR form to the on-call physician for their records (see fax numbers above).
- 8. Place SBAR in the 'Physician Notes' section of the resident's chart or the care home's MRP communication binder.
